

Upmods®. Upgradable. Modular.

Upmods® is our new furniture range designed for easy customisation. With multiple size options and the ability to upgrade and refurbish over time, it's a practical choice that can grow with your needs and preferences.

Upmods® Sofas. Comfort that keeps up with your life.

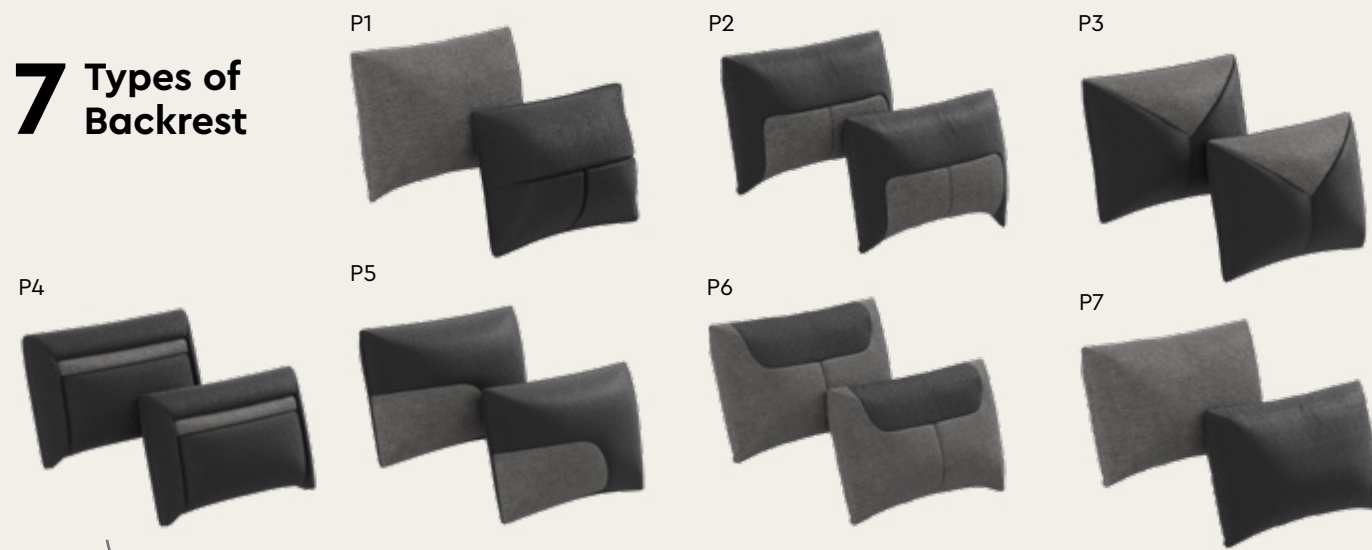

The Upmods® sofa is a complete solution for living spaces, with many options for size, colours, configurations and customizable parts. This allows the sofas to transform completely from one version to another to suit changing tastes and requirements over time.

There are multiple options available for armrests, each optimised for different ergonomic and functional requirements. For example the one pictured is equipped with storage and a built-in micro USB port.
